### 4. How we will implement this Policy

Students will be made aware of the equality and diversity policy at enrolment.

### 5. The Student Experience

All appropriately qualified applicants will be given equal consideration when applying for a COAPE course and will not be discriminated against on any grounds referred to in Section 1.

\*\* We support applications from people with physical/learning disabilities and will endeavour to meet specific requirements within the constraints of the mandatory assessment activities. However, students are asked to take note of the following:

WHERE THERE IS REQUIREMENT FOR EVIDENCE AND ASSESSMENT TO TAKE PLACE IN A PHYSICAL ENVIRONMENT, SOME STUDENTS MAY NOT BE ABLE TO PARTICIPATE FULLY IN THE ACTIVITY AND THEREFORE MAY NOT BE ABLE TO SUCCESSFULLY COMPLETE UNITS WHERE EVIDENCE HAS TO BE DERIVED FROM A DEMONSTRATION OF PRACTICAL SKILLS. **FAILURE TO SUCCESSFULLY COMPLETE A UNIT MEANS THE STUDENT WILL FAIL THE COURSE.**

DETAILS OF PRACTICAL ASSESSMENT ACTIVITIES CAN BE FOUND IN THE ENROLMENT SECTION OF EACH COURSE.

### 6. Complaints Procedure

If a student believes they have suffered discrimination, harassment or victimisation, the complaint should initially be sent to the Registrar at [management@coape.org](mailto:management@coape.org)
